Kobo eReader - OverDrive Feature

Certain Kobo eReader models have OverDrive built into the device which can be accessed in the device **Settings**. This allows you to borrow eBooks from your device without having to use a computer to transfer the file.

The following Kobo models have the built-in OverDrive feature:

- Kobo Aura edition 2
- Kobo Aura H2O edition 2
- Kobo Aura ONE
- Kobo Clara 2E
- Kobo Clara HD
- Kobo Elipsa
- Kobo Forma
- Kobo Libra 2
- Kobo Libra H2O
- Kobo Nia
- Kobo Sage

Potential Errors

Kindle devices are not compatible with Canadian public libraries. They require a specific file type that is uncommon for Canadian libraries.

You can authorize up to 6 devices with a single Adobe ID.

If you change the Adobe ID authorized on your computer or device from **jane.doe@gmail.com** to **john.smith@gmail.com**, any eBooks downloaded by **jane.doe@gmail.com** will not be available to read.

Adobe Digital Editions

Adobe Digital Editions is the program required to read eBooks on your computer or an eReader.

Adobe Digital Editions works with the following Peace Library System eResources:

- cloudLibrary
- OverDrive
- Read Alberta eBooks

Step 1: Get Set Up
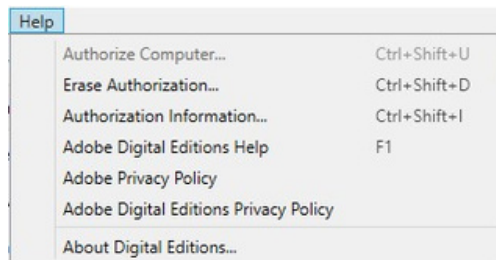

To download Adobe Digital Editions for free, go to https://www.adobe.com/ca/solutions/ebook/digital-editions/download.html

To create an Adobe ID for free, go to https://account.adobe.com/

Once you have downloaded Adobe Digital Editions & have set up an Adobe ID:

1. Open Adobe Digital Editions software
2. Select **Help** from the top left
3. From the menu, select **Authorize Computer** and enter your Adobe ID.
4. Your computer is now set up and you can transfer eBooks to eReaders

Step 2: Get the eBook

Now it's time to choose an eBook:

1. Go to cloudLibrary, OverDrive, or Read Alberta eBooks and borrow an eBook.
2. Go to your account and select the download button.
3. Open or drag the file in Adobe Digital Editions. Once the eBook has been imported, it will appear in your library in Adobe Digital Editions.

From here you can read the eBook on your computer.

Check how many days are left on your loan, located by the banner on the top of the cover, in the Adobe Digital Editions library. You will no longer be able to open an eBook once your loan is up.

Step 3: Get eBooks on Your eReader

Next, we need to transfer the eBook file to your eReader device:

1. Connect your eReader to the computer
2. Select **Allow** on your eReader when asked to manage your device files. The name of the device will pop up in the panel on the left of Adobe Digital Editions.
3. Find the eBook you want in your Adobe Digital Editions library. Click and drag the eBook file to the name of your eReader device on the left panel.

Some eReaders will need to be authorized with Adobe Digital Editions before you can access eBooks on them. To do this:

1. Hit the icon beside your eReader device on the left panel.
2. Select **Authorize Device** and follow steps.
3. Your eReader is now authorized with Adobe Digital Editions

Adobe Digital Editions can read eBooks in
PDF and **EPUB** file formats.
